

BARCODE FOR ACTIVEX

© 1986, 2003 Pandora

Need barcodes in Windows?™

Disappointed with the way barcode fonts offer no versatility?

If you are then you need Barcode for ActiveX.

Barcode for ActiveX, gives you full control over size shape and even bar width reduction from within Windows applications as an ActiveX control.

The ActiveX control is easy to use and comes with instructions and even sample files to get you started.

The codes are accurate and allow bar width reduction in 50 micron steps.

Features

- ActiveX control generates as a function within Windows applications
- All barcode types supported
- Any Size
- Any Height
- Bar Width Reduction
- Uses Peninsula Barcode Technology
- Allows output without human readables
- Free Support
- Online Support
- Free Advice
- Ease of Use

Any size! Any code type! Any Windows™ PC!
